

Bosch Batteries: Optimum **Starting Power** for All Vehicles

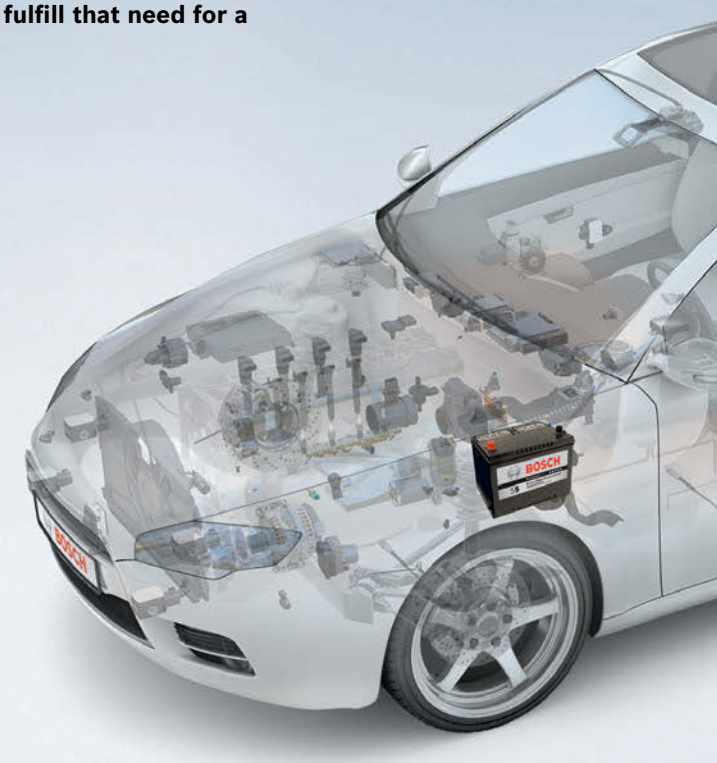

BOSCH

Invented for life

The right power source for every application
The Bosch battery range

Today's vehicles have more power robbing consumables than ever. A high-performance, reliable power supply is becoming essential. Bosch batteries can fulfill that need for a wide range of vehicle models.

Bosch S6 Batteries
High-performance AGM batteries

- 30% more deep cycle and vibration resistance than conventional batteries
- 100% maintenance free*
- Sealed and 100% leak-proof in any position; also for passenger compartment use
- Latest technology for start/stop applications
- 3 year free replacement/pro rata warranty
- Free Road Side Assistance program

Bosch S5-S4-S3 Batteries
Optimum starting power for every vehicle

- Bosch high quality product specification
- Dependable power in accordance with OEM requirements
- Clear product differentiation by consumer needs
- 98% market coverage
- 3-2-1 year free replacement/pro rata warranty
- Covering special applications, such as Mercedes E class auxiliary batteries and Mazda MX5-Miata
- The premium battery brand in 104 countries in the world
- Free Road Side Assistance program for S5–S4 batteries

Batteries from Bosch – the right choice for a wide range of vehicles and equipment.

* Under normal operating conditions

Bosch L3-L4-L5-L6 for Lawn and Garden

Reliable, lightweight battery engineered for use in any weather

- Lawn and garden use
- Durable, low maintenance
- Strong, compact case
- Built to last between seasons and hold charge

Bosch T4-T5-T6 HD Commercial Batteries

Dependable all-season service

- Complete product line available
- Tough cases to protect against vibration damage
- Reduction of water loss from heat/overcharge
- AGM technology for deep cycle and heavy duty use

Passenger car batteries from Bosch

Top performance right from the start

Bosch S6 Batteries with High-Performance AGM Technology

For greater convenience, safety and efficiency, more and more equipment demands a battery capable of supplying power for starting with top performance. The Bosch S6 battery featuring high-performance AGM technology (AGM = Absorbent Glass Mat) meets even the greatest challenges.

- 30 % more deep cycle and vibration resistance than conventional batteries
- 100 % maintenance free*
- Sealed and 100% leak-proof in any position; also for passenger compartment use
- Latest technology for start/stop applications
- 3 year free replacement/pro rata warranty
- Free Road Side Assistance program

* Under normal operating conditions

High-Performance AGM technology to satisfy the highest starting and power supply standards

Seat heating and ESP

Vehicle infotainment

Vehicle navigation

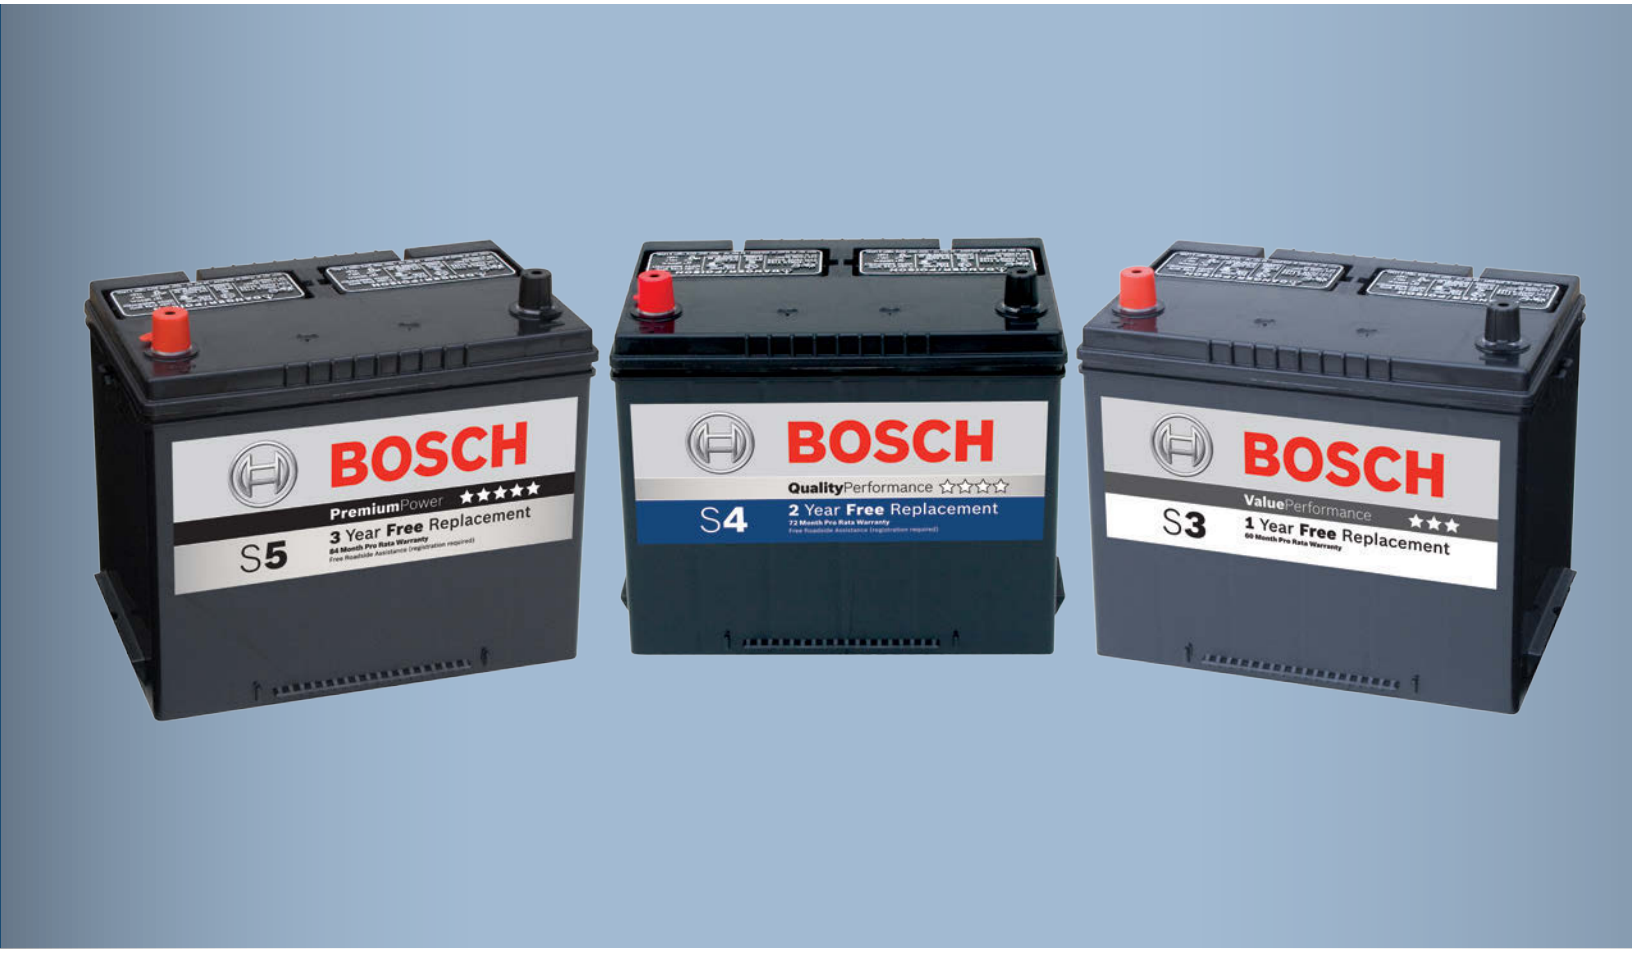

Electric window lifters

Electric seat adjustment

Powerful support for energy components

Bosch S5 Batteries
Premium performance batteries

- 100% maintenance free*
- Focus on premium car segments and cars with a high number of electrical consumers
- Full coverage for upper class domestic and imported car segments
- Dependable power under extremes of heat, cold and high demand
- 3 year free replacement/pro rata warranty
- Free Road Side Assistance program

Bosch S4 Batteries
Quality performance batteries

- 100 % maintenance free*
- Allround battery focused on mid-size car segment with average number of electrical consumers
- Dependable power for most applications
- 2 year free replacement/pro rata warranty
- Free Road Side Assistance program

Bosch S3 Batteries
Value performance batteries

- 100 % maintenance free*
- Economical solution for older cars with less electrical equipment
- 1 year free replacement/pro rata warranty

* Under normal operating conditions

Commercial vehicle batteries from Bosch

The professionals' choice of battery

Bosch commercial vehicle batteries are specifically designed to deal with the demands of commercial vehicle applications, providing a reliable, long service life.
The complete line of Bosch Commercial Batteries, designed to fit your vehicles needs.

Bosch T6 High Performance AGM Battery

- 30% more deep cycle and vibration resistance than conventional batteries
- Latest technology to cover the increased electrical demand of commercial vehicles
- 100% maintenance free*
- Sealed and 100% leak-proof in any position
- 2 year free replacement

Bosch T5 Premium Performance Batteries

- 100% maintenance free*
- Dependable power under extremes of heat, cold and high demand
- Ergonomically designed handles for convenient transportation
- 18 months free replacement

Bosch T4 Premium Performance Batteries

- 100% maintenance free*
- Ergonomically designed handles for convenient transportation
- 18 months free replacement

* Under normal operating conditions

Utility batteries from Bosch

All-season batteries for lawn, garden and more!

Dependable, All-Season Service Life

Bosch lawn and garden batteries are built to last. The reliable, lightweight batteries are maintenance free, compact, durable and engineered for all-season use.

Bosch Lawn and Garden Batteries are:

- Lightweight
- Engineered to deliver top cranking power
- Durable case
- Easy to install

Mobile Energy

Bosch lawn and garden batteries provide power that customers can rely on. With their outstanding deep cycle resistance and long service life, these “power packs“ ensure full mobility and optimum reliability, whatever the application.

Bosch L3-L4-L5-L6 Utility Batteries

- 100% maintenance free*
- 95% market coverage for lawn, garden and small engine applications
- Clearly differentiated performance levels
- 6 months free replacement

Lawn and Garden Batteries from Bosch: Engineered for All-Season Use

* Under normal operating conditions

Display your batteries
Bosch offers multiple options

Bosch Battery Display

- Displays up to 6 batteries
- Utilizes 2 sq. ft. of floor space
- Black, powder-coated, gloss finish
- Durable, tubular steel construction
- E-Z Snap design allows for quick assembly and requires no tools or hardware
- Assembly required
- One steel header frame
- Weight: 17 lbs.
- Width: (Outside) 24"
- Height: (w/Header) 50"
- Depth: 15"

Bosch Battery Display

- Displays up to 9 batteries
- Utilizes 3 sq. ft. of floor space
- Black, powder-coated, gloss finish
- Durable, tubular steel construction
- E-Z Snap design allows for quick assembly and requires no tools or hardware
- One steel header frame
- Weight: 20 lbs.
- Width: (Outside) 34"
- Height: (w/Header) 50"
- Depth: 15"

Bosch Battery Display

- Displays up to 12 batteries
- Utilizes 4 sq. ft. of floor space
- Black, powder-coated, gloss finish
- Durable, tubular steel construction
- E-Z Snap design allows for quick assembly and requires no tools or hardware
- One steel header frame
- Weight: 18 lbs.
- Width: (Outside) 24"
- Height: (w/Header) 50"
- Depth: 15"

Bosch Battery Display

- Displays up to 18 batteries
- Utilizes 6 sq. ft. of floor space
- Black, powder-coated, gloss finish
- Durable, tubular steel construction
- E-Z Snap design allows for quick assembly and requires no tools or hardware
- One steel header frame
- Weight: 23 lbs.
- Width: (Outside) 34"
- Height: (w/Header) 50"
- Depth: 15"

Bosch has the battery to fit your customers' needs.

Bosch Batteries start vehicles, and a wide range of equipment, in all kinds of weather conditions. Their innovative technology makes these energy packs resistant to high temperatures in the engine compartment. At the same time, acid consumption and corrosion are minimized. This translates into minimum self-discharge, extreme tolerance for short-distance driving and reliable operational safety throughout the battery's service life.

Longer Service Life

Car batteries today are exposed to ever increasing underhood temperatures. An engine compartment today can reach temperatures well above 100°C/212° F. Bosch corrosion resistant technology prevents damage caused by heat and significantly increases the service life of the batteries.

Free Road Side Assistance

Bosch offers a complementary Jump-Start Assistance which is valid for three years from the date of purchase for S6-S5-S4 batteries.

The Advantage of Bosch Batteries

Quick and Reliable Starting
The Bosch Batteries are designed to operate in all climates.

Top Performer

Bosch passenger car batteries have been ranked "top performers" by a popular consumer magazine.

Easy to Choose

Bosch Batteries are simple to select based on your customer needs.

Extensive Market Coverage

Bosch has a battery for virtually every vehicle and a wide range of equipment. If you need it, Bosch has it.

The Bosch Brand – Recognized for Quality and Innovation

Over 80 years of experience in batteries with extensive knowledge in auto parts and diagnostics.
