Certificate of Compliance

Certificate Number:

EX3971

Report Reference:

EX3971-20061111

Issue Date:

2025-05-29

Issued to:

Please see the addendum for Manufacturing information.

TORNATECH INC
4100 Desserte Sud, (A-440 Ouest)
Laval
QC
CA
H7T 0H3

This certificate confirms that representative samples of:
FIRE PUMP CONTROLLERS
Please see the addendum for additional product information.
Has been evaluated by UL LLC in accordance with Standard(s) for Safety:
Please see the addendum for Standards for Safety
Additional Information:
See UL Product iQ® at https://iq.ulprospector.com for additional information.

This Certificate of Compliance indicates that representative samples of the product described in the certification report have met the requirements for UL certification. It does not provide authorization to apply the UL Mark. Only the Authorization Page that references the Follow-Up Services Procedure for ongoing surveillance provides authorization to apply the UL Mark.

Only those products bearing the UL Mark should be considered as being UL Certified and covered under UL's Follow-Up Services.

Look for the UL Certification Mark on the product.

David Piecuch
UL Mark Certification Program Owner
